NOTE FROM THE HEADMASTER

"Train up a child in the way he should go" from Proverbs 22:6 can be translated "train up a child according to his bent". When ancient archers were breaking in a new bow, they would tension the string and shoot an arrow. They would then adjust the tension and shoot another arrow. The process would continue until they found the exact tension that would cause the arrow to go the maximum distance. Our students are like a bow, we have to find the right tension, or bent,

to help them reach their maximum potential. We seldom get it right the first time, but we keep trying. Every bow has a different bent, as each student requires a different tension. This is a continuous process that requires wisdom and patience.

Please pray for your faculty and staff as they work each day with your students. We long for those moments when we stand shoulder to shoulder with our parents and watch the arrows fly true and far.

The Academy is supporting the church's relief efforts in Haiti. Upper School students are encouraged to practice sacrificial giving by making a cash donation to be used to purchase supplies needed in Haiti. Donations are due by Fri., Feb. 5. The Lower School is being asked to bring supplies the week of March 8-12. A list of supplies was e-mailed to parents last week.

LUNCH INFORMATION

Academy policy is that all volunteers working at least a half day with the children may get a free lunch from the cafeteria on the day that they are volunteering. **Volunteers must be signed in at the Office, have an orange volunteer badge, and must place a lunch order with Vicki or Kathleen by 9 a.m. in order to receive their free lunch.** Eating without notification makes the food in the cafeteria run short for the students.

Lunch bills will be sent home tomorrow. Payment is due by Feb. 16
